KNOW YOUR INSTITUTE

Gandhigram was born in 1947. A team of dedicated disciples and contemporaries of Gandhiji, Dr.T.S.Soundram and Dr.G.Ramachandran, developed Gandhigram, the home of many rural development programmes.

The Gandhigram Rural Institute (GRI) was founded in 1956. With undying faith and deep devotion to Mahatma Gandhi's revolutionary concept of 'Nai Talim' system of education, Gandhigram Rural Institute has developed academic programmes in Rural Development, Extension Education, Lifelong Learning, Applied Research, Economics, Co-operation, Rural Industries and Management, Political Science and Development Administration, Sociology, Rural Oriented Sciences, Cooperation, Development Administration, Rural Sociology, English and Communicative Studies, Tamil and Indian Languages, Agriculture and Sanitary Inspector. Students who emerge from its portals tend to meet the personnel needs for rural development under various governmental and non-governmental schemes.

To teaching was added, the dimensions of research and extension in course of time. This three-dimensional approach became a pioneering model which earned appreciation from all over the country.

The work of the Institute invited national attention and the Government of India (Ministry of Education), on the recommendation of the University Grants Commission, conferred the status of a Deemed University on the institute under Section(3) of the UGC Act of 1956, on 3rd August, 1976.

Today, it has become a nationally and internationally recognized University for its contribution to rural higher education, so much so that the New Education Policy of the Nation reflects the principles evolved here in developing the rural university concept.

Started in a small way, the Institute has developed into a big educational complex, comprising seven different faculties, offering in all about fifty different programmes.

It awards Doctoral, Master's and Bachelor's Degrees, PG Diplomas, Diplomas and Certificates through its seven academic faculties: Rural Development, Rural Social Sciences, Rural Oriented Sciences, English & Foreign Languages, Tamil, Indian Languages & Rural Arts, Rural Health & Sanitation, and Agriculture & Animal Husbandry. It has, at present, about 3500 students and 142 teaching Staff and 168 nonteaching staff.

The programmes offered attract students from abroad also. The Institute was accredited with Five Star Status by NAAC, in February 2002 and re-accredited with 'A' grade by NAAC in 2010. MHRD, assessing all the Deemed Universities in India, awarded 'A' Grade to the Institute in 2013.

Objectives

The objectives of the Institute are:

1. To provide for instruction and training in such branches of learning as will promote a classless and casteless society;
2. To provide for research and advancement and dissemination of knowledge; and
3. To function as a centre for extension work leading to integrated rural development Campus

Campus

The Gandhigram Rural Institute is spread over 200 acres in a rural setting, nestling in one of the enclaves of the beautiful Sirumalai range. To its West is a chain of mountains including the beautiful Kodaikanal Hill. Lying North of Madurai, Gandhigram is easily accessible by rail and road. The climate of the place is pleasant all through the year and the panorama of nature surrounding Gandhigram is pleasing to the eye and inspiring to the soul.

The nearest railway station is at Ambathurai, the nearest railway junction is at Dindigul and the nearest city is Dindigul. The nearest airport is at Madurai.

சீதளத்துளிகள் வீசிடும் வேளை
இருசிறு ஓடைகள் இனிய பாடலை - 2
இசைத்து மகிழ்ந்து முறுவல்கள் பூக்கும்
எங்கள் காந்திகிராமம் (இதய)
